Today's Date: \_\_\_\_\_ Pet's Name: \_\_\_\_\_

Because your pet is severely matted, it is at greater risk of injury, stress and trauma. **ALL** precautions will be taken. However, problems occasionally arise during or after grooming such as nicks, clipper irritation and physical or mental stress.

Your pet is very important to us. Because we care about your pet's safety and well-being, we want to assure you that every effort will be made to make your pet's visit as pleasing as possible.

In the best interest of your pet, we request your permission to obtain immediate veterinary treatment should it become necessary.
